Re: United States v. Frederick Puglisi, 92-1008 (JS)

Dear Judge Seybert,

We object to the government effort to delay the resentencing proceeding upon the ground the testimony of the surviving members of Anthony Latanzi is immaterial to deciding the issues before the Court. Nor do we not accept the proposition that the FBI cannot locate the family members since the resentencing hearing was scheduled more than one month ago on November 19, 2018.

Thank you.

Respectfully,

A handwritten signature in black ink, appearing to read "J. Ryan", is written over the typed name. The signature is fluid and cursive, with a long horizontal stroke extending to the right.
